The Board of Directors has approved the Operating and Reserve budget for the calendar year 2025. A summary of the budget and notice of this meeting was sent to owners via US Postal and email on October 30, 2024. This meeting will provide a forum for questions regarding the budget for the year 2025. No other business will be discussed.

The proposed budget does not require approval by Owners and is deemed approved by the Owners in the absence of a veto at the meeting by the Owners of Units to which at least a majority of all votes in the Association are allocated, whether or not a quorum is present.
